

CELEBRATING 25 YEARS OF FINANCIAL PRESERVATION AND WEALTH CREATION

Low-cost pricing across all our products

Personal one on one relationship

Our Pedigree

- Afrifocus celebrates 25 years of Wealth Creation and Financial Preservation.
- Our professional team of experts specialises in Wealth Management and Stockbroking.
- We have been a Stockbroking member of the JSE since 2000 and an Authorised Financial Services Provider, FSP 48810, servicing clients all over South Africa and Africa.
- We ensure a personal one-on-one relationship with you, to ensure that smart investment decisions are made when investing in one of our unique portfolios which offer excellent performances.
- Our fees are transparent with low-cost pricing across all our products, and you can have 24-hour access to your investment portfolio.
